

# PLASTIC PROVIDERS

PALLETS + BOXES

Ireland's Largest Supplier of Plastic Pallets

## Product Catalogue

# Plastic Providers: The Plastic Pallet & Box Experts

Based in Cabragh Business Park in Thurles, Plastic Providers Ltd offers Ireland’s most comprehensive range of Industrial Plastic Pallets, Containers, Boxes, Crates, Totes and Bulk Pallet Boxes.

All our products adhere to the latest EU and Irish Standards for the Food and Pharmaceutical Industry.

We offer Company Logo Stamping on all our Products and next-day delivery.

## Why Plastic Pallets and Boxes?

### Recyclable

Plastic pallets are fully recyclable and many pallets and boxes are made from previously recycled material.

### Food Safe & Hygienic

Completely closed pallets have no cavities, which keeps dirt from accumulating. Cleaning is also fast and easy offering the perfect combination of mechanical performance and hygienic requirements.

Made of food-safe HDPE/PP, they are standard equipment in many industries.

### Electrostatic Discharge

Electrostatic Discharge (ESD) compatible pallets or carbon conductive pallets are made from specially formulated plastic materials to give the desired anti-static effect. Only a plastic pallet with conductive properties is able to protect components from being affected by electro-static charge and electric fields.

## LEGEND

The diagram shows a plastic pallet with the following callouts:

- 1:** Points to color options (blue, green, grey, red, yellow).
- 2:** Points to the product image of the pallet.
- 3:** Points to the 'Base Options' section, which includes:
  - a. Corrugated
  - b. Drainage Holes
  - c. Reinforced
  - d. Ventilated
- 4:** Points to the product name/code: SF 400L CD | 600x400x115mm.
- 5:** Points to the dimensions section.
- 6:** Points to the maximum weight capacities / volume section, which includes:
  - a. Static Capacity
  - b. Dynamic Capacity
  - c. Racking Capacity
